RECOMMENDED SHELF-LIFE & STORAGE

Transport & Storage Conditions:	Store 55 - 80°F, < 50% RH and away from light, heat and/or humidity.
Shelf Life (original package):	730 days unopened

LEGISLATION & WARRANTY STATEMENT

The product will be manufactured in accordance with all current relevant US legislation. The information stated is given in good faith and is based upon the product formulation and the data provided by our raw material suppliers. All reasonable precautions that could be expected of a responsible manufacturer have been taken, however no absolute guarantees can be given that trace / carry over residues will be totally absent.

It is the responsibility of the user to ensure this information is appropriate and complete with respect to the specific use intended for the product. Local national regulations should be consulted for the intended specific application and declaration as legislation may vary from country to country. All concept names are advisory and are based on factual naming of the product.

This provisional document is for information purposes only and a full specification (including labelling declaration) should be obtained post sample approval.

Any amendment to the recipe will rescind this specification and the information contained therein.

CONFIDENTIALITY

This document and the information contained within it remains the property of Irca Group USA LLC and must not be disclosed to any third party without the prior written permission of the company.
